Thought for the Month - Wisdom

James 1:5 – 'If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault.'

As we begin September, let us be reminded to seek God's wisdom and guidance in all that we do.

Each day brings new decisions, relationships, opportunities, and challenges, and we do not have to face them alone. Wisdom is more than knowledge; it is understanding how to make choices that reflect God's love, truth, and grace. When we are unsure of the way forward, we can turn to God in prayer and trust Him to guide us.

This month, let us make time to pray, listen, learn, and seek God's direction. May His wisdom guide our words, our decisions, and our actions, helping us to live thoughtfully and faithfully each day.

May September be a month of seeking God, trusting His guidance, and growing in wisdom.

Pray for Schools - from Tim

September is a significant time for children as they start back to school, and this year

Wednesday 9th September is a National Day of Prayer for Schools.

'95% of young people aren't regularly engaged in their local church, yet 99% of them are in mainstream education. What an opportunity schools give us to reach each of them with the good news of Jesus. As we head into the new academic year, we want to see our schools impacted by the gospel.'

If you'd like to find out more about the National Day of Prayer for Schools, go to:

www.message.org.uk/prayforschools/

Wouldn't it be great if as many of us as possible could **shoot up a prayer for the children, staff and families at a local school** on that day? If you're not sure which school to pray for, why not pray for **Cove School**, just up the road from our church building?

Let's pray that, as the new school year begins, God would bless our local schools and that children and young people would encounter the good news of Jesus.

Restarting Tuesday 15 September

Advanced Notice: International Harvest Supper – Saturday 17 October

Please let Norma know what dish you would be able to make for our International Harvest Supper.

There will also be a list to add your name and dish on the church noticeboard.

We would love as many people as possible to get involved. If we don't have enough helpers, we may need to make alternative arrangements.
